Dear David and LGBTQ@UTSC members:

On behalf of the University of Toronto Students' Union, I would like to express our collective disgust and outrage at the acts of bigotry and hate that have occurred on your campus. The successive attempts to suppress the voice of LGBTQ students, including the recent act of arson, are absolutely intolerable.

The University of Toronto Students' Union has a strong commitment to equity and believes that as students, we must collectively take responsibility for our communities by vigorously expressing that our campuses should be a safe, positive environment for all students; regardless of gender identity or sexual orientation.

Your response to these acts of vandalism is admirable. LGBTQ students at the University of Toronto have a strong history of fighting the oppression of queer students by promoting positive spaces on campus and increasing queer visibility. I am pleased to see this approach continue with LGBTQ@UTSC's Love-In event. This response is well suited to allow all students to express their commitment to a safe, inclusive environment for LGBTQ members of the UTSC community.

Please do not hesitate to contact us if we can offer more support in your fight against homophobia. U.T.S.U. stands in solidarity with you in your fight to foster a safe, inclusive community.

Sincerely,
